

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **In re William A Sigmund Trust**

Docket No. **260826**

L.C. No. **04-006710-TV**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The claim of appeal is DISMISSED for lack of jurisdiction because that part of the order that appellants are appealing does not fall within either MCR 5.801(B)(1), or MCL 600.861. MCL 600.861 is specifically limited to an order affecting an estate or trust and MCR 5.801(B)(1) also makes no mention of a foundation. Therefore, appellants' challenge of that part of the order that declined to order an accounting or supervision over the foundation exceeds this Court's jurisdiction under either MCR 5.801(B)(1) or MCL 600.861.
